353 - WA St. Center for Child Deafness

A001 Center Administration

Statewide Result Area: Improve student achievement in elementary, middle and high schools
Statewide Strategy: Give students individual attention

Expected Results

The Center administration will provide assurance that the agency will comply with all relevant federal and state laws and regulations, maintain the agency budget within appropriated levels, and provide a high-level academic program for deaf and hard of hearing students from across the state. The Center Administration will manage and oversee all business functions of the residential school (WSD). Additionally, it is responsible for conducting stakeholder meetings and providing a report to the Legislature outlining strengths and needs of education services to children who are deaf-hard of hearing and deaf-blind throughout the state. The report is due December 1, 2010. The statistics and general information gathered will be used to design the demonstration sites for service delivery to be established for the 2011-12 School Year.

A004 On-Campus Academic Services

Statewide Result Area: Improve student achievement in elementary, middle and high schools

Statewide Strategy: Give students individual attention

Expected Results

WSD's on-campus education program provides a comprehensive, high quality education to deaf and hard of hearing students. Emphasis is on literacy development, to include the development of and fluency in English and American Sign Language. Students will leave WSD with the knowledge, skills, and experiences necessary to allow them to be successful in the field of work or a post secondary education or training program.

Statewide Result Area: Improve student achievement in elementary, middle and high schools**Statewide Strategy:** Support parent and community connections**Expected Results**

Deaf and hard of hearing students within Washington State will be afforded optimal services in the areas of audiology, interpreting, speech and language services, psychological, counseling, transition, and educational support from professionals experienced in the area of deaf education. CDHL Statewide Outreach Team consultants are available to provide technical assistance and evaluation support to school staff who serve deaf and hard of hearing students for equitable access to information and learning. CDHL's Early Childhood Program promotes education and support of families of young deaf and hard of hearing children for optimal language development and early learning. This program raises school readiness and increases learning potential otherwise hindered by the lack of access to early communication skills with linguistic development. High school graduates who chose to participate in the Post High School Program will develop stronger job/vocational training, independent living skills, and be better prepared for college and beyond.

Deaf and hard of hearing students within Washington State will be afforded optimal services in the areas of audiology, speech services, counseling, and psychological support from professionals experienced in the area of deaf education. A mobile fleet of professionals is available to support statewide requests for educational and clinical support to deaf students with an emphasis in serving rural areas where such services may be severely limited. Through its 0-3 Early Intervention Program, WSD will promote optimal early learning, thereby raising deaf children's readiness for formal schooling and increasing learning potential otherwise hampered by the lack of early access to linguistic development. This activity also contributes to the partnerships measure listed within the Administration activity.
